Hello Mr Healy,

We are currently reviewing paperwork for the year 2019, and would like your input on what may be required for continuation of our Small Business Exemption as we had filed for 2018.

I understand there could be some changes for Glider Kit Truck Assemblies but we have not heard for certain. Should we prepare a letter for 2019 similar to the attached, or are there updated regulations that we should be aware of?

Your feedback is much appreciated.

*Regards,*
